## Allergen & Nutrition Data – Savona Company Policy

Savona subscribes to the Erudus system, which is a portal where manufacturers and brand owners can create and populate information about their products.

This information is automatically updated into our online platform, which can be accessed by all customers free of charge.

Whilst every care has been taken to ensure the such nutritional and dietary information is correct, the Dietary Data has been supplied by the respective brand owners and we are not responsible for the accuracy or completeness of this data. The information is provided in good faith but is for general information purposes only. To ensure that you have the most up-to-date information please check the product label on delivery.

Savona does not give any warranty (either actual or implied), guarantee or representation that the information accessed is in every respect accurate or complete, and we cannot accept any responsibility for any errors or omissions.

Any information that we do supply, we will provide to the best of our ability, but we do not warrant against the possibility of human error and machine errors and cannot accept any responsibility for any error or omissions or for the results obtained.

In addition to the above, Savona subscribes to the product alert system from the Foods Standards Agency, and will react promptly to any relevant notices and will communicate with affected customers as soon as reasonably practicable.
